

## Buildup of a biobank for Future Research Projects

---

Blood samples for future research projects can be archived free of charge at the University of Bern. If you would like to contribute a sample of your dog for the buildup of our biobank, please send

- **2 to 5 ml EDTA blood** (clearly labeled with the identity of the dog),
- this **completed form** and
- a **copy of the pedigree**

in a jiffy bag at room temperature to:

**Institute of genetics  
University of Bern  
Bremgartenstrasse 109a  
CH-3001 Bern**

### 1. Information about the animal
