

Development of a biobank for Future Research Projects

Blood and hair samples for future research projects can be archived free of charge at the University of Bern. If you would like to contribute a sample of your animals, please send EDTA blood, ear tissue, thawed semen straws, or 50 pulled hairs with attached hair roots in a clean plastic bag.

1. Animal information

Nr	Name	Registry-ID (ear no.)	Sex. m f	DOB	Breed	Disease/diagnostics (affected, normal)
1						
2						
3						
4						
5						
6						
7						
8						
9						
10						

Owner	Name	
	Address	
	Postal code	City
	E-mail	
	WhatsApp	

2. Additional findings (if applicable)

- please add photos and/or copies of the diagnostic findings either by **email** or **WhatsApp** to
cord.droegemueller@unibe.ch **+41 75 500 08 09**

3. Owner consent

I agree that the sample material of the above-mentioned animal may be used for scientific research projects. The leftover sample material will belong to the University of Bern.
